#### What Attendees Say About I.CON Cold Storage

Understanding cold storage as a real estate asset class is still quite new. I.CON Cold Storage brought together industry leaders to share their insights so together we can better understand and strengthen the food supply chain.

Kate Lyle, Principal, LJC

This was my first I.CON Cold Storage conference, and definitely won't be my last! Having all of the industry leaders in one convention hall was great for my introduction to the world of cold storage. I look forward to furthering my connections that I made while at the conference.

Grace Green, Business Development Representative, Layton Construction

Attending I.CON Cold Storage for the first time was an incredible experience. The programs were thoughtfully scheduled to maximize my learning opportunities, and the networking events were perfectly timed to help me expand my professional connections. I left feeling more informed and connected.

Meghana Joshi, Managing Principal, MG2

What an amazing event where so many individuals in the cold storage industry came together and collaborated on opportunities and the future of the market. I'm already looking forward to next year!

Nick Schram, Vice President, Curran Contracting Company
